## County Voter Information Guide

The County Voter Information Guide does not contain a complete list of candidates. A complete list of candidates appears on the sample of the ballot. Each candidate's statement is volunteered by the candidate and is printed at his or her expense.

This Guide contains pages regarding candidate statements and/or ballot measures, analyses, and arguments (whichever apply to your ballot). Arguments in support of or in opposition to proposed measures are the opinions of the authors and have not been checked for accuracy by any official agency.

Although the materials provided in this Guide have been carefully proofread, typographical errors occasionally remain undetected. If a substantive error is discovered after the Guide has been printed, a correction notice will be issued.

## Language Assistance

The County of Santa Clara provides voting materials in English to all registered voters. In addition, as required by law, the Santa Clara County Registrar of Voters provides voting materials in Chinese, Spanish, Tagalog, and Vietnamese. Official Ballots are produced in the additional languages of Hindi, Japanese, Khmer, and Korean. Facsimile Ballots are available upon request in Gujarati, Nepali, Punjabi, Tamil, and Telugu languages. To ensure our records are correct, the County began conducting a Preferred Language Survey in November 2004. Voters may change their language preference at any time by calling the office or by mailing/faxing in a completed VOTER'S ACTION REQUEST FORM located in this guide.

The office of the Registrar of Voters continues to prioritize multilingual services to improve services to all voters, including those who primarily speak another language other than English.

Dear Santa Clara County Voter,

I hope you are doing well and preparing your voting plan for the June 7, 2022 Statewide Direct Primary Election. Every ten years following the census, California's district lines are redrawn. You may find your districts may have changed since the last time you voted. You can find more information about redistricting and how to look up your districts inside of this Guide.

Santa Clara County is conducting elections under the California Voter's Choice Act model, which was successfully implemented in the March 3, 2020 Presidential Primary Election. Here are some key benefits to your voting experience:

- **You choose how to vote:** You can vote through the mail (all voters will automatically be mailed a ballot 29 days before Election Day), at a Vote Center or drop off your ballot at an Official Ballot Drop Box.
- **You choose when to vote:** You can vote at our office beginning 29 days before Election Day or you have up to 11 days, including Election Day, to vote at any Vote Center.
- **You choose where to vote:** You can visit any Vote Center in Santa Clara County. All Vote Centers will have enhanced voting equipment and will be staffed to provide assistance in multiple languages, helping voters with disabilities, and updating your voter registration information. If you choose to vote at a Vote Center, we will be following the current health and safety guidelines in place at the time.

All Vote Centers will be offering Conditional Voter Registration allowing voters to register to vote and cast a ballot even if they missed the voter registration deadline. Locations and hours of the Vote Centers are available in this Guide and posted online at [www.sccvote.org](http://www.sccvote.org).

For Vote by Mail voters, the Registrar of Voters' Office continues to offer prepaid postage for voters returning their ballots by mail as long as it is mailed in the United States.

To increase efficiency, save taxpayer funds, and reduce the impact on the environment, the Registrar of Voters' Office offers all of the information in this Guide online as a downloadable PDF file in a format that is also accessible for persons with disabilities. If you would like to receive your Guide electronically, visit the Registrar of Voters' Office website at [www.sccvote.org](http://www.sccvote.org) and click on the "Go Green" icon.

This County Voter Information Guide is designed for you, the voter, to learn about the candidates and measures that you will be voting on in the June 7, 2022 Statewide Direct Primary Election. If you have any questions or concerns, please do not hesitate to contact our office by calling (408) 299-VOTE (8683) or Toll-Free at (866) 430-VOTE (8683), or by emailing [registrar@rov.sccgov.org](mailto:registrar@rov.sccgov.org).

## Information for Voters with Disabilities

### REMOTE ACCESSIBLE VOTE BY MAIL SYSTEM

Voters with disabilities can now vote privately and independently by marking their ballot in a screen-readable format from a home computer using their own assistive technology.

All voters are able to access their specific ballot by visiting [www.sccvote.org/RAVBM](http://www.sccvote.org/RAVBM) starting 29 days before Election Day and entering their information through a secure portal. All ballots must be printed and follow the return instructions provided at the portal.

Voters can return their voted ballot by mail (must be postmarked by Election Day), or at any Official Ballot Drop Box, or at any Vote Center location.

Questions or comments? Email [votebymail@rov.sccgov.org](mailto:votebymail@rov.sccgov.org) or call **(408) 299-VOTE (8683)** or toll free **(866) 430-VOTE (8683)**. Please visit [www.sccvote.org/RAVBM](http://www.sccvote.org/RAVBM) for more information.

### IN PERSON VOTING

The Registrar of Voters strives to provide Vote Center locations that are accessible to the elderly and voters with disabilities.

The County of Santa Clara's new electronic voting system gives visually impaired voters the ability to cast a secret ballot without assistance. The voting system is equipped with an audio voting component that allows voters to listen to the ballot and make their choices using the keypad provided. The keypad includes a "sip and puff" feature as well.

Voters who are unable to mark a ballot may bring up to two individuals to assist them in voting.

**Audio recordings of the County Voter Information Guide are available upon request. Call (408) 299-VOTE (8683) or toll free (866) 430-VOTE (8683).**

**Telecommunications Relay Service 711** – Assistive telephone relay service for people with impaired hearing.

#### **Are You Having Difficulty Voting Because of a Disability?**

**CALL: (888) 569-7955**

Disability Rights California operates a **Voting Hotline**:  
7:00 a.m. to 8:00 p.m. on June 7, 2022 Statewide Direct Primary Election.

**We also answer calls prior to and following Election Day. The Voting Hotline is available year-round.**

Our goals are to help voters with disabilities have a successful voting experience and identify issues we can address in the current and future elections.

## Office of United States Senate Contests Notice:

There are two U.S. Senate contests on the June 7, 2022, Primary Election ballot.

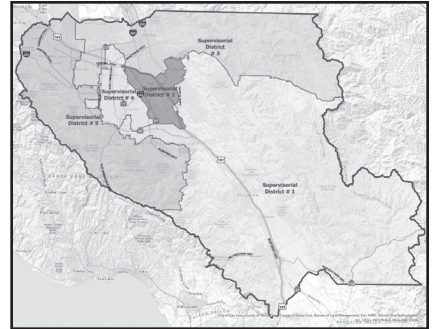

The first contest is the regular election for the full 6-year term ending January 3, 2029.

The second contest is a special vacancy election (the current officeholder is temporarily filling a vacancy) for the remainder of the current term ending January 3, 2023.

You may vote for both contests.

### Redistricting

Every ten years following the census, California's district lines are redrawn. This election uses the new district lines for Congress, State Senate, State Assembly, State Board of Equalization District 2, County Board of Supervisors, and City of San José City Council Districts. You may find you do not live in the same districts you did the last time you voted. Because of this, your ballot may have different contests and candidates than you are used to seeing; and in some cases, your previous representative may not be a candidate for your new district.

Voters may look up their election districts by visiting [www.sccvote.org](http://www.sccvote.org) and selecting the icon “Look Up Your District” under our Popular Services link on our home page. Voters can also access a list of their elected representatives within Santa Clara County at [www.sccvote.org](http://www.sccvote.org) under the “Candidates & Measures” drop down menu by selecting the List of Officeholders.

Please visit <https://sccvote.sccgov.org/elections/redistricting> for more information about redistricting.

If you need additional information, please call toll-free (866) 430-VOTE (8683).

## IMPORTANT INFORMATION FOR VOTERS

Since the 2010 Primary Election, there have been many changes that affect how you vote. Please take a moment to read about these changes.

**Top Two Candidates Open Primary Act:** Proposition 14, passed by voters in 2010, changed the way primary elections are conducted in California. All “partisan” offices, except for President and party central committee, are now “voter-nominated” offices.

- You may choose any candidate running for a voter-nominated office, regardless of the party you or the candidate prefers.
- For this election, Governor, Lieutenant Governor, Secretary of State, Controller, Treasurer, Attorney General, Insurance Commissioner, State Board of Equalization, District 2, United States Senate, United States Representative, State Senate, and State Assembly are voter-nominated offices.
- The two candidates with the highest number of votes in the primary election, regardless of party preference, go on to the general election ballot. There may be two candidates with the same party preference on your ballot for some voter-nominated offices.

### PARTY ENDORSEMENTS

California law authorizes political parties to endorse candidates running for voter-nominated offices. Parties not listed below did not submit endorsements for voter-nominated offices within Santa Clara County by the deadline.

**CANDIDATE STATEMENTS FOR  
UNITED STATES REPRESENTATIVE, DISTRICT 17**

<b>STEPHEN FORBES</b>	<b>RAO RAVUL</b>
<p><b>Occupation:</b> Accountant</p> <p><b>Education and Qualifications:</b></p> <p>It would be an honor to represent you in California's 17<sup>th</sup> District, in the United States Congress. I have a deep understanding of the issues that currently face the constituents of this district, and that have only gotten worst in the last six years. To understand these issues requires an understanding on how we got here and what it will take to fix them. I understand the processes. From the Homeless, Childhood Hunger, Environmental Issues (air and water quality), Wildfires, Unfunded Pensions, Social Security/Medicare, Higher cost for our Disabled and Seniors, Housing issues for Teachers and first Responders, dwindling numbers of Doctors and their support staff, and much more. All of these issues are fixable. And the longer we wait the more expensive and insurmountable they will become.</p> <p>I will always regard anything that you want to talk to me about as being worthy of serious consideration. I will always be approachable, I will always accept your criticize, and of course I will always be mindful that I am in office to represent you and your interest.</p>	<p><b>Occupation:</b> Investor</p> <p><b>Education and Qualifications:</b></p> <p>Respected voters, I am appealing you all that I am running for Congress District 17, and I am asking for your help, support, your endorsement and most important is your vote on June 7, 2022. I am living in this District over 30 years as a successful businessman. I feel I can bring a fresh outlook to our community and legislature. Throughout the years, I have seen several notable issues our community is facing like housing, public safety, debt free college education, equal pay to women, environmental and infrastructure matters, universal affordable quality healthcare &amp; prescription drug prices, federal minimum wages, job markets, and teachers' salaries. Strengthening our democracy, creating a 21<sup>st</sup> century immigration system.</p> <p>We need to work on all these issues that matters to voters and show the voters that we still have the ability to deliver the results. Also, we need to work on empowering our green energy and use our own natural resources and no dependency on the foreign crude oil imports.</p> <p>We have limited financial source for our community from the government for skilled training and free local transportation to Seniors.</p> <p>I have a BA degree in finance and economics. I have knowledge and experience, what can be done to make it better for our communities and citizens. I want this district to continue as a wonderful place to live, work and play for the future generations. I am looking forward to serving you. Thank you for your vote.</p>

**CANDIDATE STATEMENTS FOR  
UNITED STATES REPRESENTATIVE, DISTRICT 17**

<b>RO KHANNA</b>	<b>RITESH TANDON</b>
<p><b>Occupation:</b> U.S. Representative, CA-17</p> <p><b>Education and Qualifications:</b></p> <p>It has been my honor to represent the people of California's 17th district. I have worked across the aisle to build an economy that works for all Americans. I have delivered federal dollars for many community projects and helped secure vaccines for our district during the peak of Covid.</p> <p>I have passed laws making it easier for veterans to get apprenticeships and modernizing federal websites. To make sure our children have the skills to compete in a global economy, I co-sponsored legislation to make public universities and community colleges debt free. I have also brought new jobs and internships for our residents.</p> <p>I have fought for equal pay for women, Medicare for All, climate justice, reducing our foreign military entanglements, and comprehensive immigration reform. I have introduced legislation to double the earned income tax credit for working families and passed a resolution to end the Yemen war.</p> <p>Locally, I have hosted monthly town halls in the district. To combat air noise from local airports, I established a roundtable with local leaders and FAA officials committed to finding a solution. To reduce traffic congestion, I have secured federal funding for highways and the expansion of BART into San Jose and Santa Clara. Finally, to reduce the rising levels of anxiety among our students, I partnered with local school districts to raise awareness for youth mental health.</p>	<p><b>Occupation:</b> CEO Kricel Corporation, Vice Chairman Non-Profit UPMA <span style="float: right;"><b>Age:</b> 48</span></p> <p><b>Education and Qualifications:</b></p> <p>Education: Research Fellow (UC Berkeley), MS and MBA (Santa Clara University)</p> <p>I am a first-generation immigrant trying to live the American Dream. Unfortunately, our dream is being destroyed by the failed extreme social and economic policies of the current Congress:</p> <p>Support for discriminatory Prop 16 (defeated!) type propositions. These race-based policies, camouflaged as "equity" disproportionately affect Asians and destroy their kid's futures! We should not elect people who support ending fair and merit-based college admissions or jobs. Parents should decide what is being taught to kids in schools, and merit should determine your kid's future.</p> <p>Because of support for "defunding the police," crime went up, and Asians suffered hate crimes! Now "progressives" are regretting that decision. Do you want to support such naive politicians again?</p> <p>Uncontrollable inflation (high gas prices) directly results from unthoughtful energy policies and money distribution.</p> <p>Debacles in Afghanistan, terrible long-term foreign policy, and poor implementation to contain Russia in the Ukrainian war reflect the ineptitude of Congress and administration.</p> <p>About two million illegal border crossings occurred in one year. Should there be any support for illegal immigrants in this law-abiding country? Should we allow them to use public resources and vote locally?</p> <p>We need to:</p> <p>Control inflation by promoting energy independence and labor reform.</p> <p>Lower taxes, regulations, and healthcare costs.</p> <p>Streamline education towards good jobs. Emphasize entrepreneurship and manufacturing.</p> <p>Stop illegal immigration! Support fair immigration that eliminates long wait times for the skilled workforce.</p> <p>Revamp our foreign policy to gain respect, strength, and leadership.</p> <p>Please visit <a href="http://www.tandonforcongress.com">www.tandonforcongress.com</a></p>

**CANDIDATE STATEMENTS FOR  
STATE SENATOR, DISTRICT 10**

**JAMAL KHAN**

**Occupation:** Attorney

**Education and Qualifications:**

Call me. Seriously, put down this booklet and call or text my personal cell: (408) 834-6991. Hesitant? Visit my website first: [www.votekhan.com](http://www.votekhan.com). I'm the most accessible candidate in this race. No gatekeepers between you and me.

I grew up right here in our district. Local public K-12 schools. Witnessed the dotcom bust: For Lease signs peppered everywhere as layoffs hit loved ones. Attended Berkeley, graduated amidst the financial crisis. Attended Harvard Law School as Occupy Wall Street lit, then fizzled. Worked for the Obama White House as Trump and Bernie drew massive crowds. Wrote five books about pressing topics like the opioid crisis, data privacy, and tech monopolies as COVID hit.

What am I about? Fighting to lift our middle class until it's once again an inspiration for the world.

Here's how: A fair workweek with predictable schedules for employees. Paid family leave to take care of your newborn or sick relative while keeping the lights on. Restrictions on greedy companies outbidding you on a house with all cash, then renting it out, making homeownership hopeless. Suspending the gas tax until pump prices fall below a predetermined threshold. Universal healthcare, and if not, at least a public option. Boosting public safety to keep your family safe. Fiscal discipline, accountability, and transparency. See much more at [www.votekhan.com/priorities](http://www.votekhan.com/priorities)

Bread and butter stuff. No nonsense about taking Abraham Lincoln's name off a school. My energy will go into fighting ferociously for working families.

I'm easily accessible to voters, not lobbyists. Questions? Call me: (408) 834-6991

**LILY MEI**

**Occupation:** Fremont Mayor/Businesswoman

**Age:** 52

**Education and Qualifications:**

I'm a Democrat, daughter of immigrants, working Mom, and former School Board member. I got involved in public service for the best reason: my two kids. That's why I secured millions to improve our schools and as Fremont's first elected woman and Asian American Mayor, expanded Safe Routes to School programs.

I bring people together across party, philosophy, and race to solve our region's toughest issues. As Fremont's Mayor in one of California's most diverse Senate districts, I proudly stand for equality, inclusion, and civil rights for all.

I've led efforts to increase affordable housing in Fremont by record numbers; supported the creation of good-paying, clean-energy jobs, and business innovation; and worked to establish a City shelter for homeless families with mobile hygiene, counseling, and job training services. I've prioritized ensuring every resident access to life-saving vaccines, and as a result Fremont is one of the most highly-vaccinated cities in the country.

As State Senator, I'll take my track record on housing/job creation, homeless services, and pandemic response to Sacramento. I'll also demand year-round investments in wildfire prevention to protect our families, businesses, and the environment—and continue to lead as an advocate for community-empowered public safety and swift investigations of hate crimes and misconduct.

I'm honored to be endorsed by a broad coalition of local leaders including Congressman Ro Khanna, San Jose Mayor Sam Liccardo, and the Mayors of Hayward, Milpitas, Newark, Santa Clara, Sunnyvale, and Union City—every City within Senate District 10.

**CANDIDATE STATEMENTS FOR  
STATE SENATOR, DISTRICT 10**

**AISHA WAHAB**

**Occupation:** Mayor Pro Tempore, Businesswoman, Non-Profit Director

**Education and Qualifications:**

Whether you're left, right, or center, these past few years have been frustrating with COVID, gas prices, inflation, crime, extremist politics, and uncertainty.

In Sacramento, it's time to get back to basics: food on the table, a roof over your head, well-paying jobs, quality public education, and a future we can believe in.

These issues are personal; that's why I'm running for State Senate.

Tragedy struck my family leaving me in foster care before I could tie my own shoes; cutting short my parents' American Dream.

I worked full-time, paid my own way, and graduated our public schools: San Jose State University, CSU East Bay—where I received my MBA. The Great Recession led to my family losing our small business and our home being foreclosed. I've worked hard to rebuild the American Dream for my family; it hasn't been easy.

Professionally, I've been a non-profit director, business consultant, named San Francisco Business Times' Most Influential Woman in Bay Area Business, and Legislator of the Year.

As Mayor Pro Tempore and Hayward City Councilmember, I've prioritized; housing at all income levels; improved public safety; relief to our small businesses and tenants; wildfire and flooding protections; COVID relief with the first in the nation COVID testing site.

As a daughter of this district, things are tough and the economic divide is growing; I'm focused on the basics, the foundation everyone needs to succeed.

Join our State Senator Bob Wieckowski, Jim Beall, State Treasurer Fiona Ma, Assemblymembers Marc Berman, Alex Lee, California Democratic Party, California Environmental Voters, Planned Parenthood, teachers, nurses, small business owners; residents across this district in their support of my campaign.

I'd be honored to earn your vote; no one will work harder. Together, we'll rebuild the American Dream.

**PAUL JESSE PIMENTEL**

**Occupation:** Businessman

**Age:** 66

**Education and Qualifications:**

California is broken. Our once Golden State, where my parents immigrated for a better life, has become a place of rampant crime, escalating gas prices, high housing costs, and punitive taxes. And while we all struggle, politicians in Sacramento have turned their back on us, prioritizing special interests over the needs of California residents.

As a father and grandfather, public safety is my number one priority. We need to invest in fire and police personnel because they are on the front lines, keeping our families safe. We also need to pass real criminal reforms that hold criminals accountable.

A significant factor in our escalating crime is the growing homeless crisis. It is not compassionate to allow someone to live on the street, neglecting their fundamental needs. We need to empower faith-based and non-profit organizations that assist our underserved and unhoused population. These groups can also address the root causes of substance abuse and mental illness that plague the majority of our homeless.

As a small business owner, I know how California's love affair with frivolous regulations can crush businesses. And how California's high taxes hurt businesses and individuals alike. Californians need tax relief. That is why I will fight to cut taxes while opposing all tax increases.

I believe California's better days are ahead of us; we just need some common sense in Sacramento. I would be honored to represent you in the State Senate and grateful to have your vote.

**CANDIDATE STATEMENTS FOR  
MEMBER OF THE STATE ASSEMBLY, DISTRICT 26**

**LONG JIAO**

**Occupation:** Software Engineer

**Education and Qualifications:**

As a first-generation immigrant from China, I am a software engineer with no prior political experience. I am running because I am disappointed to how most politicians don't represent people, but special interests. I envision a reality in which elected representatives truly represent their constituents: making people the de facto law makers. I would like to ask AD 26 to join me in showing the world what real democracy is!

See <https://longforassembly.com/> for details.

**CANDIDATE STATEMENTS FOR  
MEMBER, BOARD OF SUPERVISORS, DISTRICT 4**

**SUSAN ELLENBERG**

**Occupation:** County Supervisor

**Education and Qualifications:**

When I ran for Supervisor, I promised that I would fight for all families and children in our community, and that is exactly what I've done.

As Supervisor, I've worked to ensure our kids are safe and fed, while supporting our families with additional childcare and healthcare options. I've led efforts to provide direct support to our small businesses struggling because of the pandemic and worked to reimagine our public safety system to provide more equity in the justice system while keeping us safe.

As Santa Clara County recovers from this devastating pandemic, I want to keep working for every member of our community. If re-elected, I will continue to address our affordability crisis, increase access to housing, continue to support small businesses, fight climate change, and ensure every neighborhood in our community is safe. Together, we can rebuild stronger, smarter and safer than before.

I'm honored to have the support of so many community leaders including all of my colleagues on the Board of Supervisors; Congressmembers Anna Eshoo, Ro Khanna and Zoe Lofgren; State Senator Dave Cortese; State Assemblymember Alex Lee; and every member of the San Jose City Council, Campbell City Council and Santa Clara City Council.

I hope I can count on your vote. Learn more at [SusanEllenberg.com](http://SusanEllenberg.com).

**CANDIDATE STATEMENTS FOR  
ASSESSOR**

**LARRY STONE**

**ANDREW M. CROCKETT**

**Occupation:** Assessor

**Education and Qualifications:**

It's been my honor to serve as your Santa Clara County Assessor. I'm asking for your vote on June 7 to continue to put my experience to work providing honest, fair and transparent property assessments.

I am a longtime state-certified property appraiser with a deep understanding of the complexities of property tax assessments. I know how critical it is for our schools and local governments to rely on stable revenue to fund critical services.

Under my leadership, the Santa Clara County Assessor's Office has been a model for efficiency and accuracy. A state audit recorded an accuracy rating of 99.48% for all assessments. Over the last year, we achieved a measured customer satisfaction rating of 94.6%. And we have carefully managed the Assessor's budget, returning \$23.2 million to the general fund to support priorities like housing, public safety and schools.

I'm proud to have the support of leaders including Norm Mineta, San Jose Mayor Sam Liccardo, former Mayors Chuck Reed, Ron Gonzales and Tom McEnery, Supervisor Mike Wasserman, and former Supervisors Blanca Alvarado and Dianne McKenna.

**Education and Qualifications:**

Are you happier with current politics than you were four years ago?

Electing Andrew Crockett as the next Assessor will propel local politics forward by making property tax assessments more efficient and equitable. Andrew Crockett is a CPA, Financial Analyst, and California Certified Property Tax Appraiser. Andrew Crockett will be Your Advocate! Electing Andrew Crockett will improve local politics and expand and protect ownership of homes and businesses by:

- (1) Collaborative modernization of the Assessor's Office.
- (2) Enhancing your prosperity by strengthening your right to build equity through property ownership.
- (3) Having the Assessor's Office represent, serve, and respect each and every one of us and provide excellent customer service.

Andrew Crockett will achieve these goals by expanding access to the Assessor's property databases. These modernization and education efforts are long overdue-in fact, decades behind.

A new era of more optimistic politics deserves your vote for Andrew Crockett. He will bring new possibilities and 21st century solutions to the Assessor's Office. #ElectCrockett

**SANTA CLARA VALLEY WATER DISTRICT  
MEASURE A**

Shall the measure amending the Santa Clara Valley Water District Ordinance 11-01 to limit Board members to four successive four-year terms be adopted?

YES  
NO

**COUNTY COUNSEL'S IMPARTIAL ANALYSIS OF  
MEASURE A**

California law permits the governing body of a district to propose an initiative limiting the number of terms that a member of the governing body may serve. The Santa Clara Valley Water District Board of Directors (Board) placed on the ballot a measure to amend Ordinance 11-01 of the Santa Clara Valley Water District by increasing the number of terms that members of the Board may serve from three successive four-year terms to four successive four-year terms. The only amendment made by this measure is increasing by one the number of consecutive terms a member of the Board of Directors may serve.

Full terms or partial terms served after December 3, 2010 and prior to the effective date of this measure are included for the purpose of computing successive terms, such that a member of the Board who has served three successive terms after December 3, 2010 will be eligible to serve only one more consecutive term. After serving a fourth successive term, a member of the Board will not be eligible to serve again until after at least four years of absence from service as a member of the Board.

A "yes" vote is a vote to approve the amendment to Ordinance 11-01, increasing the number of terms that members of the Board may serve to four successive four-year terms.

A "no" vote is a vote to reject the amendment to Ordinance 11-01.

**COMPLETE TEXT OF MEASURE A**

**BOARD OF DIRECTORS  
SANTA CLARA VALLEY WATER DISTRICT**

**ORDINANCE NO. 11-01**

**AMENDMENT OF THE TERM LIMITS ORDINANCE OF THE SANTA  
CLARA VALLEY WATER DISTRICT LIMITING THE NUMBER OF  
TERMS A BOARD MEMBER MAY SERVE AS A DISTRICT BOARD  
MEMBER**

**The Board of Directors of Santa Clara Valley Water District does  
ORDAIN as follows:**

**SECTION 1**

- A. No person elected or appointed as a District board member in any district, after the effective date of this ordinance, may serve as a District board member in any district, for more than ~~three~~ four successive four-year terms. The foregoing does not disqualify any person from serving on the District Board for any term or terms after at least four years of absence in which the person has not served as a Board member.
- B. For the purpose of this ordinance, a person is deemed to have served a full four-year term if either of the following applies:
  - i. The person was appointed to serve as a District board member in any district, and has completed in excess of two years of a four-year term.
  - ii. The person is a District board member who resigns with less than two full years remaining until the expiration of the term.

**SECTION 2**

Full terms or partial terms served prior to the effective date of this ordinance are not included in terms of computing consecutive terms. The effective date of this ordinance is December 3, 2010.

## ARGUMENT IN FAVOR OF MEASURE A

**Term limits** for elected boards can accomplish many things, but can also eliminate experience and continuity of qualified and effective leadership. This is most important to consider when voting on **Measure A**.

**Valley Water** has not faced such fundamental challenges since 1929. The agency is under federal directive to retrofit **Anderson Dam** for seismic safety. Increasing impacts of climate change have placed **Valley Water** on the front lines of resource infrastructure redevelopment and reformation. Warmer temperatures, loss of Sierra snowpack, droughts, rising sea levels, intensified storms and climate impacts are also driving costly changes to water delivery and storage, along with flood protection and environmental stewardship projects.

Confirming the Board at four term limits would allow complex projects like the **Anderson Dam** retrofit to continue construction and be fully completed by consistent leadership, potentially saving hundreds of millions of dollars by avoiding costly mid-course changes or delays in key infrastructure projects. **Santa Clara County** businesses and residents are focused enough to work with this leadership team in protecting the water supply and critical tax dollars.

Voters still have the ability to choose new leadership every four years, while giving this region the opportunity to benefit from members' expertise by offering longer terms if voters are happy with their performance.

Longer term limits would also provide more ramp-up time for persons with little or no water management experience or skills to gain relevant knowledge for addressing the complexity of **Valley Water's** core operations and capital projects. Voters should see this as an "Informed Hands On Deck" situation.

The Current **Valley Water** Board is demonstrating long-term commitment to strong leadership in delivering real-time critical water supply strategy and flood protection services for residents and businesses that call **Santa Clara County** home.

Voters need to think carefully about maintaining strong informed hands at the water wheel. Please support "Yes" **On Measure A**.

## REBUTTAL TO ARGUMENT IN FAVOR OF MEASURE A

Measure A is deceptive, unnecessary, and A POWER GRAB BY CAREER POLITICIANS DESPERATE TO CLING TO OFFICE EVEN LONGER.

### VOTE NO ON MEASURE A.

**Measure A** is deceptive because it's masquerading as a "term limit" measure, but it actually INCREASES THE LENGTH OF TIME THAT POLITICIANS CAN STAY IN OFFICE, EVEN THOUGH SOME OF THESE SAME POLITICIANS HAVE ALREADY BEEN IN OFFICE OVER 20 YEARS.

The fact that VALLEY WATER is FAILING IN IMPORTANT WAYS is NOT a good reason to keep the same people in place longer. If anything, it is an argument for making way for new blood, for people who aren't bound by the FAILED approaches they used in the past.

DESPITE WHAT THE POLITICIANS WHO HAVE ALREADY HELD POWER FOR OVER 20 YEARS THINK, THEY ARE NOT INDISPENSIBLE.

Do the four Board members who voted to waste \$3.2M on this election care so little about the district that they are unwilling to pass their knowledge along to new members? Have they been neglecting their duty to document the plans they have already made? Are they unwilling to help new members get up to speed?

There is no logic here, except the logic of politicians WHO HAVE BEEN IN POWER FOR OVER 20 YEARS CRAVING EVEN MORE POWER AND REFUSING to give up their comfortable positions and taxpayer-funded SALARIES AND BENEFITS SUCH AS PET INSURANCE.

*STOP THE POLITICIANS' POWER GRAB.*

## ARGUMENT AGAINST MEASURE A

**Politicians who have been in office for over 20 years aren't telling the truth in order to get longer terms in office.**

**Vote NO on Measure A.**

In November 2010, more than 75% of Santa Clara County voters limited the directors of the Santa Clara Valley Water District to three consecutive four-year terms in office. At the time, one director had been in office 14 years. That same director is still there after 25 years, and another has been for 22 years.

Now, these same politicians who have been in office too long want extra terms for themselves—and they are deceiving the voters to get them.

**The politicians supporting this power grab aren't telling you the truth: they call their deception to extend their terms a "limit" because they're so desperate to cling to office.**

**Why is Measure A so dishonest?**

- It unnecessarily spends \$3.2 million to keep 20+ year politicians in power.
- It was placed on the water board's agenda just days before it was discussed publicly.
- It was approved on a 4-3 vote, with directors Nai Hsueh, Barbara Keegan and Linda LeZotte voting no.
- It will enable the board majority of Gary Kremen, Tony Estremera, Dick Santos, and John Varela to continue their questionable oversight of an agency that fulfills a critical function but with far too little transparency, common sense and accountability.
- According to the Mercury News, these politicians already receive \$59,000 in salary, and, the following taxpayer-funded perks: medical, dental and vision benefits; life insurance; travel insurance when on district business; personal accident insurance; and, pet insurance.

**That's right--it's not enough that politicians in office for 20+ years receive pet insurance paid for by the taxpayers. Now they're trying to deceive you to stay in office even longer!**

## REBUTTAL TO ARGUMENT AGAINST MEASURE A

A primary role of government is promoting stable growth and development of communities. That is a core responsibility of the Santa Clara Valley Water District as well. This board has made great strides in helping drive economic & business growth in addition to improved residential water services in Santa Clara County and greater Silicon Valley. Projects the board is currently addressing represent their unified effort to support sustainable residential and business growth through solid management of Santa Clara County water resources and systems.

Valley Water is also addressing federal directives to retrofit Anderson Dam for seismic safety. Measure A will help this complex project begin immediately, managed by consistent board leadership and saving potentially millions of taxpayer dollars. Given other critical water resource sustainability efforts happening with regional, state and federal partners, it is wise for voters to allow Valley Water Board members to serve up to four terms to continue uniform and credibly experienced leadership.

Measure A still maintains voters' rights to remove board members and choose new leaders through regular election processes. Measure A also provides the opportunity to maintain board members with strong proven expertise for longer if the voters are happy with their performance and want to re-elect them.

Santa Clara Valley Water District is alone among 2,500 California special districts in requiring term limits. Given the need for consistent expertise on district boards, supporting Measure A will ensure Santa Clara County maintains critical experience during this historic period of water resource protection and resource management for everyone.

**CITY OF SANTA CLARA  
MEASURE D**

**DISTRICT COUNCIL ELECTIONS.** Shall the City Charter be amended to elect city council members by district, excepting the mayor, to establish six districts for the election of one council member to represent each district; and to establish a 30-day residency requirement for all elected officials?

YES  
NO

**CITY ATTORNEY'S IMPARTIAL ANALYSIS OF  
MEASURE D**

In December 2017, the City of Santa Clara was named as a defendant in the matter of *Yumori-Kaku, et al. v. City of Santa Clara* (case no. 17CV319862). The Plaintiffs alleged that the City's at-large method of electing its City Council Members violated the California Voting Rights Act. In June and July 2018, the Santa Clara County Superior Court issued a judgement in favor of the Plaintiffs, and ordered the City to transition to a "by-district" method of electing its City Council Members, with the Mayor continuing to be elected "at-large." This decision was upheld by the Sixth District Court of Appeal in December 2020. Meanwhile, the 2018 and 2020 elections for the position of Council Member were conducted in accordance with the Court's Judgment, with members elected from all six districts.

During this time period, the City's Charter was not amended to reflect the "by-district" method of Council Member election. Therefore, in April 2021, the City and the Plaintiffs entered into a settlement agreement which included a requirement that the City Council place a measure on the ballot to seek voter approval of an amendment to the City Charter that comports with the terms of the Court's Judgment. Measure D proposes the following changes to the City Charter:

1. Section 600: Candidates for the position of Council Member must reside in the district represented by the office they seek to fill for at least thirty days prior to their filing of nomination papers.
2. Section 700.1: Establishes six single-member districts, with a district map previously adopted by the City Council and periodically amended by a redistricting process following each decennial Census. Order of election for the six districts shall be District 2 and 3 in 2022 (and periodic elections thereafter), and Districts 1, 4, 5 and 6 in 2024 (and periodic elections thereafter).
3. Section 700.2: Incumbent Council Members shall complete the remainder of their elected terms after a redistricting process.

The proposed changes to the City Charter fulfill the requirements of the Court's Judgment and the Settlement Agreement with the Plaintiffs in the *Yumori-Kaku* litigation. In the event the voters do not approve this Measure, the Settlement Agreement allows the Plaintiffs to seek further Court Order(s) to continue the six single-member district election process for future Council Member elections.

A "Yes" vote approves of the proposed changes to the City Charter. The Charter language would then reflect the "by-district" method used to elect the City's Council Members.

A "No" vote disapproves of the proposed changes to the City Charter. The current Charter language describing an "at-large" election system would remain in place.

2. the voters of District 4 shall nominate and elect one (1) Council Member for a four-year term; and
3. the voters of District 5 shall nominate and elect one (1) Council Member for a four-year term.
4. the voters of District 6 shall nominate and elect one (1) Council Member for a four-year term.

### **Sec. 700.2 Elections: Designation of Seats.Election Following Change of Boundaries**

Upon any redistricting pursuant to the provisions of this section of the Charter or the ordinances enacted hereunder, each incumbent member of the Council will continue, during the remainder of the member's term, to hold office and represent the district by which the member was elected prior to such redistricting, notwithstanding any provision of Section 600 requiring a member to be a resident of the district represented by such member.

## ARGUMENT IN FAVOR OF MEASURE D

In 2018, Superior Court Judge Thomas Kuhnle ruled in a California Voting Rights Act ("CVRA") lawsuit against the City of Santa Clara that the "at-large" voting system previously used by the City impaired the ability of minorities to elect candidates as result of the dilution and abridgment of their rights as voters. As remediation, the City moved to elect council members in six districts, with the mayor elected at-large. In a unanimous decision in 2020, the State Appellate Court upheld the ruling that allowed the first council member of Asian descent to be elected in the history of the City.

Measure D would update the City Charter to be consistent with the court ruling, protect the city from further litigation, and preserve the quality and diversity of candidates in elected office.

Your YES vote will retain the district system currently in place to ensure that all parts of Santa Clara are fairly represented on city council. In addition to the geographic diversity, the move to districts also enabled minority candidates to have representation proportional to their population in the city.

With Measure D residents of districts will have easier access to council members who live in close proximity to their neighborhoods and understand the local issues.

Having to campaign throughout the entire city gave an inordinate advantage to incumbents and made it harder for new candidates to campaign effectively. Keeping our six-district system will retain diversity of opinions, backgrounds, and neighborhoods as well guard against influence from special interests by keeping campaign costs low.

Vote YES on Measure D for more diverse, locally representative government, council members who care about your community, distribution of political power, and representation for all residents.

## Conditional Voter Registration

Conditional Voter Registration (CVR) extends the existing 15-day registration deadline to eligible voters, allowing them to register and vote 14 days prior to an election through Election Day. An eligible voter would need to register at the County of Santa Clara Registrar of Voters' Office or a Vote Center to conditionally register to vote and vote a conditional ballot.

**CVR ballots will be issued at the Registrar of Voters' Office and Vote Centers.** Conditional ballots will not be mailed to voters.

In order to conditionally register, the voter must first complete an affidavit of registration. The affidavit is conveniently located on the front side of the CVR envelope. Once the affidavit is complete and submitted to the election official, a conditional ballot will be issued to the voter.

The affidavit will be processed and once the eligibility is determined and validated, the registration will become permanent and the conditional ballot will be counted. Conditional Voter Registrations are treated and processed in the same manner as other Voter Registration Applications; conditional ballots are treated and processed the same as provisional ballots.

If you have any questions regarding Conditional Voter Registration, please call (408) 299-VOTE (8683) or Toll Free (866) 430-VOTE (8683).

You may check the status of your voter registration at [voterstatus.sos.ca.gov](http://voterstatus.sos.ca.gov).

CVR was enacted in 2012, to be operative on the January 1st after the certification of a statewide voter registration database. VoteCal, California's statewide voter registration database, was certified on September 26, 2016; CVR became operative as of January 1, 2017. Effective January 1, 2017, Conditional Voter Registration is available to eligible voters in California pursuant to Election Codes 2170 through 2173.
