County Voter Information Guide

The County Voter Information Guide does not contain a complete list of candidates. A complete list of candidates appears on the sample of the ballot. Each candidate's statement is volunteered by the candidate and is printed at his or her expense.

This Guide contains pages regarding candidate statements and/or ballot measures, analyses, and arguments (whichever apply to your ballot). Arguments in support of or in opposition to proposed measures are the opinions of the authors and have not been checked for accuracy by any official agency.

Although the materials provided in this Guide have been carefully proofread, typographical errors occasionally remain undetected. If a substantive error is discovered after the Guide has been printed, a correction notice will be issued.

Language Assistance

The County of Santa Clara provides voting materials in English to all registered voters. In addition, as required by law, the Santa Clara County Registrar of Voters provides voting materials in Chinese, Spanish, Tagalog, and Vietnamese. Official Ballots are produced in the additional languages of Hindi, Japanese, Khmer, and Korean. Facsimile Ballots are available upon request in Gujarati, Nepali, Punjabi, Tamil, and Telugu languages. To ensure our records are correct, the County began conducting a Preferred Language Survey in November 2004. Voters may change their language preference at any time by calling the office or by mailing/faxing in a completed VOTER'S ACTION REQUEST FORM located in this guide.

The office of the Registrar of Voters continues to prioritize multilingual services to improve services to all voters, including those who primarily speak another language other than English.

Dear Santa Clara County Voter,

I hope you are doing well and preparing your voting plan for the November 8, 2022 General Election. Every ten years following the census, California's district lines are redrawn. You may find your districts may have changed since the last time you voted. You can find more information about redistricting and how to look up your districts inside of this Guide.

Santa Clara County is conducting elections under the California Voter's Choice Act model, which was successfully implemented in the March 3, 2020 Presidential Primary Election. Here are some key benefits to your voting experience:

- **You choose how to vote:** You can vote through the mail (all voters will automatically be mailed a ballot 29 days before Election Day), at a Vote Center or drop off your ballot at an Official Ballot Drop Box.
- **You choose when to vote:** You can vote at our office beginning 29 days before Election Day or you have up to 11 days, including Election Day, to vote at any Vote Center.
- **You choose where to vote:** You can visit any Vote Center in Santa Clara County. All Vote Centers will have enhanced voting equipment and will be staffed to provide assistance in multiple languages, helping voters with disabilities, and updating your voter registration information. If you choose to vote at a Vote Center, we will be following the current health and safety guidelines in place at the time.

All Vote Centers will be offering Conditional Voter Registration allowing voters to register to vote and cast a ballot even if they missed the voter registration deadline. Locations and hours of the Vote Centers are available in this Guide and posted online at www.sccvote.org.

For Vote by Mail voters, the Registrar of Voters' Office continues to offer prepaid postage for voters returning their ballots by mail as long as it is mailed in the United States.

To increase efficiency, save taxpayer funds, and reduce the impact on the environment, the Registrar of Voters' Office offers all of the information in this Guide online as a downloadable PDF file in a format that is also accessible for persons with disabilities. If you would like to receive your Guide electronically, visit the Registrar of Voters' Office website at www.sccvote.org and click on the "Go Green" icon.

This County Voter Information Guide is designed for you, the voter, to learn about the candidates and measures that you will be voting on in the November 8, 2022 General Election. If you have any questions or concerns, please do not hesitate to contact our office by calling (408) 299-VOTE (8683) or Toll-Free at (866) 430-VOTE (8683), or by emailing registrar@rov.sccgov.org.

Office of United States Senate Contests Notice:

There are two U.S. Senate contests on the November 8, 2022 General Election ballot.

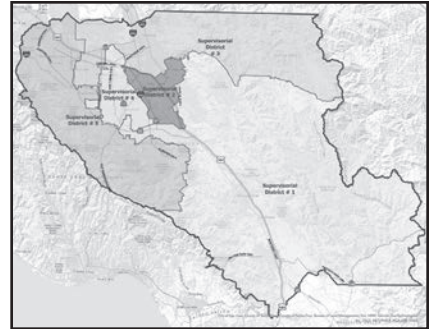

The first contest is the regular election for the full 6-year term ending January 3, 2029.

The second contest is a special vacancy election (the current officeholder is temporarily filling a vacancy) for the remainder of the current term ending January 3, 2023.

You may vote for both contests.

Redistricting

Every ten years following the census, California's district lines are redrawn. This election uses the new district lines for Congress, State Senate, State Assembly, State Board of Equalization District 2, County Board of Supervisors, and Cities. You may find you do not live in the same districts you did the last time you voted. Because of this, your ballot may have different contests and candidates than you are used to seeing; and in some cases, your previous representative may not be a candidate for your new district.

Voters may look up their election districts by visiting www.sccvote.org and selecting the icon “Look Up Your District” under our Popular Services link on our home page. Voters can also access a list of their elected representatives within Santa Clara County at www.sccvote.org under the “Candidates & Measures” drop down menu by selecting the List of Officeholders.

Please visit <https://sccvote.sccgov.org/elections/redistricting> for more information about redistricting.

If you need additional information, please call toll-free (866) 430-VOTE (8683).

IMPORTANT INFORMATION FOR VOTERS

Top Two Candidates Open Primary Act: Proposition 14, passed by voters in 2010, changed the way primary elections are conducted in California. All “partisan” offices, except for President and party central committee, are now “voter-nominated” offices.

- You may choose any candidate running for a voter-nominated office, regardless of the party you or the candidate prefers.
- For this election, Governor, Lieutenant Governor, Secretary of State, Controller, Treasurer, Attorney General, Insurance Commissioner, State Board of Equalization, District 2, United States Senate, United States Representative, State Senate, and State Assembly are voter-nominated offices.
- The two candidates with the highest number of votes in the primary election, regardless of party preference, go on to the general election ballot. There may be two candidates with the same party preference on your ballot for some voter-nominated offices.

**CANDIDATE STATEMENTS FOR
UNITED STATES REPRESENTATIVE, DISTRICT 17**

RITESH TANDON

RO KHANNA

Occupation: CEO Kricel Corporation, Vice Chair Non-Profit, UPMA **Age:** 49

Education and Qualifications:

I am a first-generation immigrant trying to live the American Dream. Unfortunately, our dream is being destroyed by the failed economic and divisive policies of the current Congress:

Safety and cleanliness is your living right! Democrats supported "defunding the police," and crime went Way Up—Asians suffered substantial hate crimes! Liberal DAs refuse to punish criminals looting shops, cars, and homes. Homeless shelters are being built close to schools! Undocumented are 21% of San Jose—Drugs and guns found in their bunkers. Do you want to support a Democrat again?

Educational Freedom is your right! Prop 16 type race-based policies, camouflaged as "equity" disproportionately affects the Asian kid's futures! Don't elect a politician who supported ending fair and merit-based college admissions or jobs. Parents should decide what is being taught to kids in schools, merit should determine kid's future, not the color of their skin!

Uncontrollable inflation is killing us, and now higher interest rates will kill housing! Please blame administration's bad energy policies and uncontrolled spending.

Foreign Policy: Debacles in Afghanistan? Ignored Russia invasion in Georgia, Crimea. No diplomatic solution on Ukraine until Russia invaded. Now, Taiwan provocation!

About two million undocumented came in this year? We give them free housing, medical, education, and ability to vote locally? Legal Immigration for Engineers takes 15 years!

We need to:

Control inflation by promoting energy independence, supply-chain diversification.

Lower taxes, regulations, educational, healthcare costs

Streamline education, emphasize entrepreneurship, manufacturing.

Revamp our foreign policy to gain respect, strength, and leadership.

www.tandonforcongress.com

Occupation: U.S. Congressman

Education and Qualifications:

It has been my honor to represent the people of California's 17th district. I have worked across the aisle to build an economy that works for all Americans. I have delivered federal dollars for many community projects and helped secure vaccines for our district during the peak of Covid.

I have passed laws increasing investment in semiconductor manufacturing, and making it easier for veterans to get apprenticeships and modernizing federal websites. To make sure our children have the skills to compete in a global economy, I co-sponsored legislation to make public universities and community colleges debt free. I have also brought new jobs and internships for our residents.

I have fought for equal pay for women, Medicare for All, climate justice, reducing our foreign military entanglements, and comprehensive immigration reform. I have introduced legislation to double the earned income tax credit for working families and passed a resolution to end the Yemen war.

Locally, I have hosted monthly town halls in the district. To combat air noise from local airports, I established a roundtable with local leaders and FAA officials committed to finding a solution. To reduce traffic congestion, I have secured federal funding for highways and the expansion of BART into San Jose and Santa Clara. Finally, to reduce the rising levels of anxiety among our students, I partnered with local school districts to raise awareness for youth mental health.

**CANDIDATE STATEMENTS FOR
STATE SENATOR, DISTRICT 10**

AISHA WAHAB

Occupation: City Councilmember/Businesswoman/Non-Profit Director

Education and Qualifications:

In this race, I'm the only Democrat endorsed by the California Democratic Party, California Environmental Voters, and Planned Parenthood.

My journey hasn't been easy. My family's American Dream was cut short with my father's unsolved murder, leaving me in foster care before I could tie my own shoes. I learned every family simply want an opportunity to succeed.

The Great Recession led to my family's small business tanking and home being foreclosed. Through hard work, I paid my way through school, supported my aging family, built a successful career in non-profit, start-ups, and government, while named San Francisco Business Times' Most Influential Woman in Bay Area Business, and Legislator of the Year.

Squeezed by housing costs, healthcare premiums, student debt, economic uncertainty—as a Councilmember, I've increased wages, public safety, affordable housing, reduced homelessness by 22% in less than 3 years, while growing the economy, creating quality jobs in a pandemic.

In State Senate, I'll prioritize commonsense public safety policies focused on victims, holding offenders accountable; tackle climate change, hold polluters accountable, create sustainable infrastructures creating jobs, reducing carbon emissions; support small business tax cuts, creating local jobs through education and innovation; and as the only renter in the State Senate, I'll prioritize homeownership at every income level.

I'll focus on what truly matters to this district: food on the table, a roof over your head, well-paying jobs, quality public education, and a future we can believe in.

Join State Treasurer Fiona Ma, Attorney General Rob Bonta, State Superintendent Tony Thurmond, Sierra Club, teachers, firefighters, nurses, entrepreneurs; people in this district supporting my campaign.

I'd be honored to work for you.

LILY MEI

Occupation: Fremont Mayor/Businesswoman

Age: 52

Education and Qualifications:

I'm a daughter of immigrants, working Mom, and former School Boardmember. I got involved in public service for the best reason: my two kids. Nothing is more important to me than keeping our communities safe and ensuring all kids have opportunities to succeed. That's why I secured millions to improve our schools, expanded Safe Routes to School programs, and increased funding for public safety.

At a time when fierce political division threatens meaningful progress, my approach is to bring people together across party and ideological lines to solve our region's toughest challenges.

I've led efforts to increase affordable housing in Fremont by record numbers; created thousands of local good-paying jobs, including clean-energy jobs; and secured millions of dollars to create navigation centers to house the homeless and provide counseling and job training services. During the pandemic, I helped lead the COVID response and increased access to lifesaving vaccines, so we could get back to work and kids back to school. As a result, Fremont is one of the most highly-vaccinated cities in the country.

As State Senator, I'll take my track record on housing, job creation, homeless services, and public safety to Sacramento. I'll continue to fight hard to stop all hate crimes and ensure LGBTQ equality and civil rights for all.

I'm honored to be endorsed by The Mercury News and a coalition of local leaders including Congressman Ro Khanna, San Jose Mayor Sam Liccardo, and the Mayors of Hayward, Milpitas, Newark, Santa Clara, Sunnyvale, and Union City—every City within Senate District 10.

**CANDIDATE STATEMENTS FOR
MEMBER OF THE STATE ASSEMBLY, DISTRICT 24**

ALEX LEE

Occupation: State Assemblymember

Education and Qualifications:

Growing up in Milpitas and San José, I've seen too many friends and families priced out of the South Bay. The status quo that corporate special interests want to preserve is unacceptable.

During the June election, corporate special interests spent over \$1 million in attack ads in an attempt to buy the election and bury our district in misinformation. Every day, you were bombarded with dishonest attacks paid for by Corporate Real Estate PACs—all because I dared to champion legislation supporting longtime residents, renters, and future homeowners.

Since day one, I have rejected all campaign contributions from corporations because I am accountable to you, not the highest bidder. The corporations couldn't buy me and they failed to break our movement. I remain unbought, unbroken, and ready to protect the progress we've made.

As your Assemblymember, I'm grateful every day to represent and serve our community. We have accomplished so much together: assisting families through the pandemic, investing historic levels of funding for our schools, and tackling the housing crisis with new solutions. But we still have more work to do to combat climate change, establish universal healthcare, defend reproductive justice, improve public safety, and address housing and homelessness.

That's why I'm proud to be endorsed by over 100 local leaders and organizations like: US Senator Alex Padilla; Congressman Ro Khanna; State Senator Dave Cortese; Hayward City Councilmember Aisha Wahab, Santa Clara Supervisors Otto Lee and Cindy Chavez; Milpitas City Councilmembers Anthony Phan and Karina Dominguez; Berryessa Union School Board Member Hugo Jimenez; East Side Union High School District Trustee Lorena Chavez, California Nurses Association, California Professional Firefighters, California Teachers Association, and the California Democratic Party.

I'd be honored to continue representing you and humbly ask for your vote.

ROBERT JUNG

Occupation: Parent/Nonprofit Executive/Private Investor

Education and Qualifications:

As a 28-year Milpitas resident, I'm dedicated to helping build a stronger community. Because education is one of the cornerstones of such a community, I want to see that all of our schools are providing pathways for success for our students. Growing up in an immigrant family, I have seen firsthand how education can be an equalizer. This is why I'm so passionate about education.

Having been a past board member and involved in our school district for 18+ years, I have seen how the district has grown. With the World Languages School, the upcoming Innovation Center, and the new Performing Arts Center, Milpitas Unified is in a unique position to offer its students world-class opportunities.

My priorities include:

Provide more academic and enrichment opportunities for all students, while expanding resources for all underserved students such as ensuring all kindergarteners start at par.

Expand opportunities to learn "real-life" skills such as financial literacy, critical thinking, multilingual global communication, career exploration and pathways.

Create more collaborative ways for parents, teachers, staff, and the community to support our students.

I ask for your support and vote, and it would be an honor to serve our community. Thank you. www.jung4musb.com.

MICHAEL TSAI

Occupation: School Board Trustee

Education and Qualifications:

In 2018, I made Milpitas history by being the youngest member ever elected to the Milpitas School Board, defeating the incumbent in a landslide in my first ever election. Since then, I have delivered on all of my promises and more: fighting for online education and meeting access, increasing education quality and transparency, and breaking ground on a new high school. When COVID hit, I kept everyone safe through the crisis.

I have the strongest, most relevant educational background of all the candidates for Council, earning a 4-year degree in Environmental Economics and Policy from UC Berkeley, then continuing my graduate studies in Transportation Management at the Mineta Transportation Institute at SJSU. I've been named as a tech rockstar by Netscape inventor and legendary venture capitalist Marc Andreessen. I have proven myself on the school board and unlike others have never had a single bankruptcy in my life.

On the Council, I'll deliver public safety, housing affordability, and economic recovery from COVID. I'm honored to have many major endorsements from the most respected leaders in Silicon Valley, including San Jose Mayor Sam Liccardo. Reach me on Facebook and www.michaeltai.org

HON LIEN

Occupation: School Board Trustee

Education and Qualifications:

I entered the U.S. as a refugee. I have started multiple successful businesses and understand how to achieve success. Serving on the Planning Commission and as a School Board Trustee has allowed me to apply successful business strategies to government bureaucracy.

Our residents are not satisfied with the condition of our streets and parks. We are failing on addressing homelessness and affordable housing. Our staff must reduce roadblocks for our small businesses and be accountable for results.

I served on the Planning Commission to help bring jobs and affordable housing to Milpitas. As a School Board Trustee, we ensured our teachers and students had the tools to succeed. We modernized our facilities to prepare students for tomorrow. And, our students were online 3 days after the Covid shutdown.

As your Councilmember, I will focus on getting our essential services done right. Our residents expect a clean city with a well-maintained infrastructure. They expect to feel safe and have well-paying jobs. The City should deliver affordable housing and our homeless should be served with dignity.

I will bring real business experience to the Council and focus on your priorities. Milpitas residents deserve results.

**CITY OF MILPITAS
MEASURE F**

Shall an ordinance be adopted amending the Milpitas Municipal Code to shorten Councilmember terms limits by establishing for both Councilmembers and Mayor, effective with the November 8, 2022 General Municipal Election, a ten consecutive year limit on combined Mayoral and City Councilmember service, with a six year limit on Mayoral service, followed by a two-year "cooling off" period, during which a person may not serve as Mayor or a Councilmember?

**YES
NO**

**CITY ATTORNEY'S IMPARTIAL ANALYSIS OF
MEASURE F**

Chapter 400 of the Title 1 of the City of Milpitas contains the City's current term limits on Mayoral and City Council service. At present, a person may not serve more than a combined total of three consecutive elective terms as either Mayor or as a Councilmember. However, if a Councilmember is elected Mayor or the Mayor is elected as a Councilmember, the official may serve an additional term for a combined total of four consecutive elective terms. Once the elected official reaches their respective term limit, he or she may not serve for a "cooling off period" of at least two years and may then serve again in elective office.

On June 21, 2022, the City Council voted to place Measure F on the November 8, 2022 General Municipal Election. If approved by a majority of voters, Measure F would amend Chapter 400 of Title 1 of the Municipal Code to make the following changes to local term limits:

- A person may not serve more than a combined total of ten consecutive years of elective service, whether as Mayor or a City Councilmember. If the ten year term limit is reached, the officer may not serve for a "cooling off period" of at least two years and may then serve in elective office again (as Mayor or Councilmember) for a new term limits period.
- Further, one may not serve more than a total of six years as Mayor (three elective two-year terms) within the ten consecutive year combined limit total. If the Mayor reaches the six year term limit, he or she may (i) run for one elective four-year term as a Councilmember, provided the Mayor has four years remaining within his or her respective ten consecutive year combined term limit; or (ii) choose not to serve in elective office for a "cooling off period" of at least two years, after which he or she may then serve in elective office again (as Mayor or Councilmember) again for a new ten-consecutive-year term limits period.

An "elective term" under Measure F includes those terms to which a person was actually elected or appointed to in lieu of an election under California Elections Code 10229. However, a partial term to fill a mid-term vacancy is not deemed to be a "term" covered by Measure F.

Any person who serves one-half or more of either a Councilmember or Mayoral elective term shall be deemed to have served that entire elective term (all years) consecutively with the next scheduled elective term, even if there is an actual break of time in elected service.

Recognizing that Milpitas already has term limits in place, Measure F also includes transitional rules to address the elective terms of current incumbents.

**CITY ATTORNEY'S IMPARTIAL ANALYSIS OF
MEASURE F-Continued**

Measure F requires simple majority approval of Milpitas voters to pass.

The above statement is an impartial analysis of Measure F. If you desire a copy of the Measure, please call the Elections Official's office at (408) 586-3001 and a copy will be mailed at no cost to you.

Michael Mutalipassi
City Attorney

ARGUMENT IN FAVOR OF MEASURE F

The city council has put forth a ballot measure this year reducing term limits shortening time in office from 12 years on the city council to 10 consecutive years. This encourages opportunity for more diverse citizen participation and reduces political advantage of incumbents. A reduction in term limits opens up opportunity to allow new fresh "out of the box" ideas that can help shape Milpitas as the city grows. The city has no lifetime term limits which allows councilmembers to return after a two year "cooling period" if the voters so will it.

Conditional Voter Registration

Conditional Voter Registration (CVR) extends the existing 15-day registration deadline to eligible voters, allowing them to register and vote 14 days prior to an election through Election Day. An eligible voter would need to register at the County of Santa Clara Registrar of Voters' Office or a Vote Center to conditionally register to vote and vote a conditional ballot.

CVR ballots will be issued at the Registrar of Voters' Office and Vote Centers. Conditional ballots will not be mailed to voters.

In order to conditionally register, the voter must first complete an affidavit of registration. The affidavit is conveniently located on the front side of the CVR envelope. Once the affidavit is complete and submitted to the election official, a conditional ballot will be issued to the voter.

The affidavit will be processed and once the eligibility is determined and validated, the registration will become permanent and the conditional ballot will be counted. Conditional Voter Registrations are treated and processed in the same manner as other Voter Registration Applications; conditional ballots are treated and processed the same as provisional ballots.

If you have any questions regarding Conditional Voter Registration, please call (408) 299-VOTE (8683) or Toll Free (866) 430-VOTE (8683).

You may check the status of your voter registration at voterstatus.sos.ca.gov.

CVR was enacted in 2012, to be operative on the January 1st after the certification of a statewide voter registration database. VoteCal, California's statewide voter registration database, was certified on September 26, 2016; CVR became operative as of January 1, 2017. Effective January 1, 2017, Conditional Voter Registration is available to eligible voters in California pursuant to Election Codes 2170 through 2173.
